### **Financial Policy and Authorizations**

We are happy that you selected TENET FLORIDA PHYSICIAN SERVICES II, LLC for your healthcare needs and look forward to working with you. To help you understand your financial responsibilities in relation to your medical care, we would like to briefly outline our financial policies.

Patients are expected to provide identification and if insured, a current insurance card(s) at time of service. Patients are financially responsible for all services provided and are expected to pay for services at time of service, including any past due balance from a prior date of service. If the patient is a minor child, the parent or other adult accompanying the child will be financially responsible regardless of legal guardianship. Returned checks will be subject to fees.

**Medicare:** The office will bill the Medicare intermediary. Patients are responsible for the following:

- Annual Medicare deductible
- All applicable co-pays of the allowed charge
- Any non-covered services
- Any covered service ordered by the physician which does not meet Medicare's medical necessity and for which the beneficiary signed an Advanced Beneficiary Notice (ABN).

**Medicare Supplemental and Secondary Insurances:** The Practice will bill both Medicare and secondary insurances.

**Medicaid:** Patients must provide the Practice with a current Medicaid card at each visit. Medicaid patients are responsible for applicable co-pays and for all non-covered services. Medicaid patients are responsible for securing necessary referrals from their primary care physicians.

**HMOs and PPOs, Commercial Insurance Plans:** Patients are responsible for payment of the co-pay, co-insurance and/or deductible, or non-covered amounts at the time of service as well as for any charges for which the patient failed to secure prior authorization, if authorization is necessary. Insurance is filed as a courtesy and benefits are authorized to be paid directly to the Practice. Patients are responsible for the balance in full if not paid by the insurance within 30 days. If the patient is not prepared to pay the co-pay or deductible, a member of the clinical staff will determine if it is medically necessary for the patient to see the physician. If the patient's condition allows, the appointment will be rescheduled.

**Self-Pay:** Patients are responsible for payment in full at the time of services for all services rendered.

**Worker's Compensation:** Employer authorization must be obtained before treatment is rendered or the patient will be responsible for payment in full at the time of services for all services rendered. Once authorized, patients are not responsible for any charges unless the workers compensation case is dismissed or denied.

**Personal Injury/Motor Vehicle Accidents and Other Third Party Liability:** The patient is responsible for the balance in full at the time of service. Any settlement you receive from your insurance company or other third party will be handled by you, your insurance company, and/or your attorney.

**Out of State Insurance:** If the patient presents with an out of state HMO/PPO insurance card, we will need to verify the patient's benefits for out-of-network benefits. The patient may be required to make payment in full or pay any co-pay, co-insurance or deductible.

**Authorizations and Consent**

**ASSIGNMENT AND RELEASE:** I hereby assign my insurance or other third party carrier benefits to be paid directly to the Physician Practice, realizing I am responsible for any resulting balance. I also authorize the Physician to release any information required to process this claim to my insurance carrier and/or to my employer or prospective employer (for employer sponsored/paid for claims). I acknowledge that I am financially responsible for services rendered, and failure to pay any outstanding balances may result in collection procedures being taken. Further, I agree that if this account results in a credit balance, the credit amount will be applied to any outstanding accounts of mine, or to any family member whose account I am guarantor for.

**ELECTRONIC CHECK CONVERSION:** When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account the same day.

**CONSENT FOR TREATMENT:** Hereby authorize the physicians, mid-level providers, nurses, medical assistants, and other Practice staff to conduct such examinations, and to administer treatment and medications as they deem necessary and advisable.

**NO SHOW POLICY:** I understand if I fail to come for a scheduled appointment or cancel at least 24 hours prior to the appointment, I will be considered a "no show" and may be subject to a "no show" charge per occurrence. Ongoing occurrences of no shows may result in dismissal from the Practice.

**I understand the Financial and No Show Policies, Authorizations and Consent for Treatment, and hereby agree to them.**

We are committed to protecting the confidentiality of your medical information, and are required by law to do so. This notice describes how we may use your medical information at TENET FLORIDA PHYSICIAN SERVICES II, LLC and how we may disclose it to others outside of TENET FLORIDA PHYSICIAN SERVICES II, LLC. ## **Permissible Uses and Disclosures without Your Written Authorization**

**Treatment:** We may use your medical information to provide you with medical services and supplies. We may also disclose your medical information to others who need that information to treat you, such as doctors, physician assistants, nurses, medical and nursing students, technicians, therapists, emergency service and medical transportation providers, medical equipment providers, and others involved in your care.

For example, we will allow other physicians treating you to have access to your Practice medical record. To assure that your other treatment providers have quick access to your latest health information, we may participate in a community-based electronic health information exchange. We also may use and disclose your medical information to contact you to remind you of an upcoming appointment, to inform you about possible treatment options or alternatives, or to tell you about health-related services available to you, or to perform follow-up calls to monitor your care experience.

**Family Members and Others Involved in Your Care:** We may disclose your medical information to a family member or friend who is involved in your medical care, or to someone who helps to pay for your care. We also may disclose your medical information to disaster relief organizations to help locate a family member or friend in a disaster. During visits with family members and other visitors, let your physician and Practice personnel know if you do not want them to disclose your medical information during the visit.

**Payment:** We may use and disclose your medical information to get paid for the medical services and supplies we provide to you. For example, your health plan or Health Insurance Company may ask to see parts of your medical record before they will pay us for your treatment.

**Practice Operations:** We may use and disclose your medical information if it is necessary to improve the quality of care we provide to patients or to run the Practice. We may use your medical information to conduct quality improvements activities, to obtain audit, accounting or legal services, or to conduct business management and planning. For example, we may look at your medical record to evaluate the care provided by Practice personnel, your doctors, or other health care professionals.

**Research:** We may use or disclose your medical information for research projects, such as studying the effectiveness of a treatment you received. These research projects must go through a special process that protects the confidentiality of your medical information.

**Required by Law:** Your PHI may be used and disclosed when required to do so by any other law not already referred to in the preceding categories; such as required by the FDA, to monitor the safety of a medical device. We also are required to give information to the State Workers' Compensation Program for work-related injuries.

**Victims of Abuse, Neglect or Domestic Violence:** Your PHI may be disclosed to a governmental authority, including a social service or protective services agency, authorized by law to receive reports of such abuse, neglect, or domestic violence if there is a reasonable belief that you are a victim of abuse, neglect or domestic violence.

**Public Health:** We also may report certain medical information for public health purposes. For instance, we are required to report births, deaths, and communicable diseases to the State. We also may need to report patient problems with medications or medical products to the FDA, or may notify patients of recalls of products they are using.

The practice may also disclose medical information to federal officials for intelligence and national security purposes, or for presidential Protective Services.

**Judicial Proceedings:** The Practice may disclose medical information if the Practice is ordered to do so by a court or if the Practice receives a subpoena or a search warrant. You will receive advance notice about this disclosure in most situations so that you will have a chance to object to sharing your medical information.

**Other Uses and Disclosures Requiring Authorization:** If the Practice wishes to use or disclose your medical information for a purpose that is not discussed in this Notice, the Practice will seek your written authorization. If you give your authorization to the Practice, you may take back that authorization any time, unless we have already relied on your authorization to use or disclose the information. If you ever would like to revoke your authorization, please notify the Practice Manager in writing.

We will tell you in advance what this list will cost.

**Right to Request Restrictions on How the Practice Will Use or Disclose Your Medical Information for Treatment, Payment, or Health Care Operations:** You have the right to request the Practice from making uses or disclosures of your medical information to treat you, to seek payment for care, or to operate the Practice. However, the Practice must agree to your request not to disclose to your health plan any medical information about items or services for which you have paid in full, unless such disclosure is required for treatment or by law. If you do not want the practice to notify your health plan, you must notify us at the time of your registration as well as make immediate arrangements to pay in full for your treatment or visit.
